Need help to make a complaint or appeal?

Wesley Mission can arrange an interpreter if you have language difficulties or are visually or hearing impaired or can assist you in finding your closest Tenants Advice and Advocacy Service (TAAS) that offers free, independent information, advice and advocacy to tenants throughout New South Wales.

If you want someone else to complain on your behalf, your representative or advocate will need to provide us with written permission from you.

Complaints will be kept private

When you provide feedback you can be identified or you can choose to be anonymous.

We will treat you fairly

When you provide feedback you will not be bullied or discriminated against.

We respond to your feedback

When you provide feedback, we will respond to you in a timely manner.

- We believe the best and fastest way to solve complaints is to deal with the issues when the complaint is received. You will receive an initial response within five business days including details of our complaints process, your primary contact person details, expected timeframes and details of the steps that will be taken.
- We will aim to resolve the complaint within 20 business days from the receipt of the complaint. If we are unable to meet this timeframe, we will notify you of the reason for the delay and provide an updated timeframe for resolution. If you feel that Wesley Mission has been unable to resolve your concern, there are external organisations you can appeal to.
